MEMORANDUM OF UNDERSTANDING

Between

VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE, PRODDATUR

And

JANA VIGNANA VEDIKA, PRODDATUR

VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE, PRODDATUR wish to have a MoU with JANA VIGNANA VEDIKA, PRODDATUR. Cooperation in areas of student interests by mutual agreement is aimed, as set forth is as follows.

Objectives of MoU:

- **Promoting Scientific Temper Among Students:** This goal aims to instill a scientific mindset, critical thinking, and curiosity among students. Encouraging them to question, explore, and understand the world through scientific principles is essential.
- **Raising Awareness About Superstitions:** By highlighting existing superstitions in society, we can help people recognize irrational beliefs and encourage evidence-based thinking. This awareness can lead to informed decision-making.
- **Creating Awareness About Science's Importance:** It's crucial to emphasize how science impacts our daily lives. From technology to medicine, science plays a significant role, and creating awareness helps people appreciate its value.
- **Making Science Accessible to All:** Science should not be limited to the privileged. Efforts to democratize access to scientific knowledge and resources can bridge gaps and empower marginalized communities.
- **Understanding Scientific Basics and Problem-Solving:** Identifying scientific solutions to real-world problems requires understanding fundamental principles. Encouraging research, experimentation, and problem-solving skills is essential.
- **Eradicating Obscurantism and Superstitions:** Popularizing science can counter mystical practices and superstitions. By promoting evidence-based reasoning, we can reduce reliance on unscientific beliefs.

Nature of Collaboration:

- The agreement shall be valid for four years from the date of exhibition, from both parties and extendable further as per needs of both parties.
- Both parties shall take reasonable steps to ensure successful completion of the collaboration and shall co-operate with each other, in performance of their respective obligations.

Signatures:

- This agreement is signed subjective approval of respective academic/administrative bodies and not intended to be legally binding, nor to create any evidence or imply any contractual obligation to enter into a contractor obligation to negotiate.

Memorandum of understanding (MOU)

Between

Vardhaman College of Engineering, Shamshabad, Hyderabad

and

Vaagdevi Institute of Technology & Science, Proddatur

The MOU is entered on Monday of 15 July 2019, between **Vardhaman College of Engineering** (here in after called **VCE** or the **Mentor institute**), an autonomous institute located in Hyderabad, Telangana established in the year 1999, and consistently maintaining outstanding performance offering 6 UG (B.Tech. CIV, EEE, MECH, ECE, CSE & IT) and 6 PG Engg (M.Tech. Str. Engg, PEED, ES, DECS, ED & CSE) and MBA programmes.

and

Vaagdevi Institute of Technology & Science, Proddatur, Andhra Pradesh (there in after called **VITS** or the **Member institute**) an engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapur established in the year 2002,

With its strong emphasis on holistic approach to learn and to promote the exchange of knowledge and resources effectively under the mentorship programme, VCE now intends to mentor the member institutes with the following objectives:

1. Objectives of the MOU

- a) To improve the teaching and learning process through pedagogy programs and conduct faculty development programmes for effective implementation of outcome-based education.
- b) To upgrade the technical knowledge by promoting research collaborations in the areas of mutual interest through training programmes and workshops.
- c) To motivate the faculty to use ICT method of teaching including case studies, working models and train on the usage of online softwares.
- d) To improve IPR activities with mutual collaborations and training programmes and to support Startup centers in the member institute.
- e) To assist the member institute s in the accreditation process of NBA and NAAC

2. Terms and Conditions

- a) The mentor institute shall conduct faculty development programmes (FDP) of one-week duration each, training, workshops and guest lectures for mutual benefit in terms of teaching learning process.
- b) Member institute shall depute at least three full time faculty members to attend these programs.
- c) The expenditure for boarding and lodging shall be incurred by the mentor institute VCE from the grant received under the scheme.
- d) Both colleges shall designate full time faculty members who will be responsible for co-ordination and implementation of the project.

3. Duration of MoU

This MOU will take effect from the date it is signed by representatives of the two colleges. It will remain valid for a period of three years.

4. Signed in Duplicate

This MOU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below the colleges have caused this memorandum of understanding to be executed, effective as of the day and year.

MEMORANDUM OF UNDERSTANDING

BETWEEN

VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360
(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTU, Anantapuramu)

AND

SYNXA IT PRIVATE LIMITED

H.NO : 7-1-618/ATC/310, Flat no: 310, 3rd floor ditya trade center, ameerpeta Hyderabad -
500038, Telangana State, India.

This **Memorandum of Understanding** (hereinafter referred to as the "MOU") executed this 10th day of December 2018 between the **VAAGDEVI INSTITUTE OF TECHNOLOGY AND SCIENCE** (herein after shall be referred as VAAGDEVI) and **SYNXA IT PRIVATE LIMITED** hereinafter shall be referred "SYNXA IT".

WHEREAS the VAAGDEVI is a Higher Educational Institution and Affiliated Educational institute dully approved by the AICTE & JNTUA to provide Technical education at under graduate and graduate level.

WHEREAS the SYNXA IT is emphasis on providing quality and productive technical services to technical institutions and startup companies to enhance skills and productivity.

WHEREAS both institutions desire to establish relations in the area of Industry Institute collaboration.

NOW therefore the two parties have agreed to cooperate as follows:-

1. AREAS OF COLLABORATION

- a) Technical Trainings
- b) Internship
- c) Technical Workshops
- d) Joint research projects/proto types
- e) R & D cell establishment

Under the MOU shall be set down in a specific letter of agreement.

MUTUAL OBLIGATIONS

1. The two parties here to undertake to jointly solicit for funds including donor funds, research grants, contributions, subscriptions and such related funds for the purpose of realizing any or all the objectives of the collaboration.
2. The overall Memorandum does not entail any obligation for the two parties to fund any travels for researchers from the other institution. Provided that funds are available from elsewhere (e.g. concrete collaborative projects), both parties will facilitate practical arrangements related to study visits from the collaborating institution including office accommodation and necessary administrative functions to enable them to carry out programme objectives.
3. Both institutions shall seek waiver of duty and value added tax applicable on any equipment and materials for use by students and staff participating in this collaboration. As a general rule, the title and custody of any equipment acquired in the course of the collaboration shall remain with the host institution upon the expiry of that particular project as specified in individual agreements of collaboration'.
4. Both institutions shall abide by current international guidelines on good research practice and ethics available in relation to all research activities.

www.synxaworkshops.com

Mobile: +91 9966225556

5. Both institutions further agree to bear the cost of administering the programme on such terms as shall be mutually agreed upon from time to time.

5. Both parties jointly and independently agree to make available suitable facilities and personnel as and when required and on such terms as to fees, remuneration, insurance, and any other incidents thereto as specified in 'agreements of collaboration' regarding each individual project.

6. The parties shall share both in gains and losses of the collaboration including skills, inventions/patents, profits and liabilities whether pecuniary or otherwise provided always Intellectual Property rights shall be shared equally.

7. The parties shall keep each other indemnified against all damages to or losses resulting from the fault of their respective agents and/or servants.

MANAGEMENT OF THE COLLABORATION

Each Institution shall designate a coordinator to develop and coordinate the program activities.

The initial coordinators are Head of the Institute or the department of Electrical & Electronics Engineering for the VAAGDEVI and Managing Director for Synxa IT. Notification of change or successor shall be in writing to the other party.

MATERIAL TRANSFER AGREEMENT

Any and all materials transferred between the parties shall be subject to an acceptable 'material transfer agreement' signed by the parties and appended to the agreement of collaboration regarding the individual projects.

DURATION OF THE MEMORANDUM

This Memorandum of Understanding shall come into effect from the date of execution and shall remain in force for a period of five years.

IMPLEMENTATION

All laws, rules and regulations issued by all parties shall be strictly observed at all times.

SETTLEMENT OF DISPUTES

The parties shall first use reasonable endeavors to amicably settle disputes arising out of or in connection with this Collaboration Agreement.

Where a dispute has not been amicably resolved the parties shall enter into structured negotiation with the assistance of a mediator acceptable to both sides.

FORCE MAJEURE

Either party shall promptly notify the other party, in writing, of any situation or event arising from circumstances beyond their control, which they could not have reasonably foreseen, and which make the performance of all or part of the parties obligations under this contract impossible. Upon notification of the occurrence of such a situation or event, the performance of www.synxaworkshops.com

this contract shall be deemed to be postponed for a period of time equivalent to that caused by the Force Majeure and reasonable period not exceeding one (1) week thereafter shall be allowed for remobilization to continue the performance of the contract.

REVIEW AND AMENDMENTS

The Memorandum may be amended or revised if both parties agree. Such Amendments or revision shall be effective from the date of signature.

Amendments may be decided at any time and shall be made in writing upon mutual consent of the parties.

TERMINATION OF MEMORANDUM

The memorandum of Understanding may be terminated with immediate effect by mutual agreement between the parties or by either party giving the other not less than six (6) months notice in writing.

IN WITNESS WHEREOF, the Parties hereto have executed this Memorandum of Understanding this 10th Day of December 2018.

**MEMORANDUM OF UNDERSTANDING
(MoU) With
VAAGDEVI**

**INSTITUTE OF TECHNOLOGY & SCIENCE, PRODDATUR-
516360**

This Memorandum of Understanding (MoU) is made between the VAAGDEVI INSTITUTE OF TECHNOLOGY AND SCIENCE, PRODDATUR and M/S MICROHARD SOLUTIONS, KADAPA to promote goodwill and friendship thereby, bridging the gap between industry and the academic institute. It provides the best platform for showcasing the best practices, latest technological advancements, and their implementation and impact on the industry. It gives wide exposure on globalization, industry standards and production capabilities.

Terms and goals of Agreements:

- To cultivate the strong links with industry
- To promote various industrial activities by the faculty members and students.
- To catalyze the further growth and development of interaction between the Institute and Industry
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members toward the industry from the portals of College i.e. Academics.
