A Report on “Applications Of Numerical Methods In Engineering”

The department of Training and Placement cell organized a one day training programme on 24/12/2022 (AN). A total 60 students of III (EEE &ECE & CSE) have attended to this program.

Mr K.Mallikarjuna reddy is explaining about the topic

About the Resource Person

Mr .K.Malikarjuna Reddy completed her post-graduation and working as an assistant professor in English, having vast experience in teaching and also in training students for interviews. He has 10 years of experience in teaching and conducting interview sessions. The Keys points covered are:

1. Computing values of functions.
2. Interpolation, extrapolation, and regression.
3. Solving equations and systems of equations.
4. Solving Eigen value or singular value problems.
5. Optimization.
6. Evaluating integrals.
7. Differential equations.

A Report on “Dc Circuit Brakes”

The department of Training and Placement cell organized a one day training programme on 01/12/2022 (FN). A total 46 students of IV (EEE &ECE) have attended to this program.

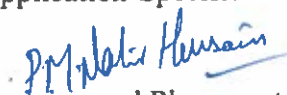

Mr S.Veera Kumar is saying about the topic

About the Resource Person

Mr .S.Veera Kumar Yadav completed her post-graduation and working as an assistant professor in Electrical Engineering , having vast experience in teaching and also in training students for interviews. She has 10 years of experience in teaching and conducting interview sessions. The

Keys points covered are:

1. Functionality
2. Types of DC Circuit Breakers
3. Voltage and Current Ratings
4. Trip Characteristics
5. Arc Interruption
6. Environmental Considerations
7. Mounting and Installation
8. Testing and Maintenance
9. Standards and Regulations
10. Application-Specific Requirements
