Welcome to VITS-IQAC

VITS IQAC serves as a robust platform for ensuring quality assurance and enhancing institutional activities. It acts as an unwavering force driving academic excellence with a strong focus on quality. As quality improvement remains an ongoing process, the IQAC seamlessly integrates into the institution's system, actively contributing to continuous enhancement.

Objective:

The primary objective of the IQAC is to establish a framework for deliberate, consistent, and transformative efforts aimed at enhancing the academic and administrative performance of the institution.

Goals:

To establish a system that fosters deliberate, consistent, and transformative actions aimed at enhancing the academic and administrative performance of the institution. Additionally, the IQAC promotes measures for institutional functioning by internalizing a quality culture and institutionalizing best practices.
