(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuram)

FREESHIP POLICY

The college offers fee concessions/waivers to financially needy students across all courses, following a standardized procedure:

- Students intending to avail of this facility must submit their application in a prescribed format to the Head of the Department. Application forms are available at the college library.
- The Head of the Department reviews the applications based on academic performance and economic background. These are then discussed during department faculty meetings.
- Recommendations from the faculty meeting are forwarded to the Principal by the Head of the Department.
- The Principal presents these recommendations in the Governing Body meeting, where approval or rejection takes place.
- Applications are typically submitted in February/March for already enrolled students and in June/July for first-year students, preceding the academic year.

This process ensures fair and transparent consideration of student's financial needs, aligning with the institution's commitment to supporting its student community.
