

Sri Sri Mookambika Educational Society's
VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE

Peddasettipalli (V), Proddatur - 516360

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuram)

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust with in 1000 words

Response:

The Institutions vision is to be one of the best educational institutions in the country by transforming the students into multifaceted individuals with a penchant for academic excellence in the field of Engineering & Management with moral & ethical values and moulding them as an empowered citizens to meet the global requirements.

VITS emphasizes on Outcome Based Education (OBE) and Experiential Learning. The Institution regularly monitors the attainments of COs, Pos and PSOs of all the programs and appropriate actions are taken based on the identified weaknesses, through a well – structured Evaluation mechanism, for ushering need-based improvement. Special programs for slow and advanced learners were being organized. Special focus is given for bridging the gap between Industry and Academia through internships and industrial visits.

A variety of teaching and learning techniques (ICT) are employed to impart knowledge and skills to students. The campus facilities are continuously augmented and strengthened. The institution adopts JNTUA regulations for evaluation of students through internal and external assessments.

Following are the methods adopted to transform the academic environment:

- ♦ Changing the teaching methodology by encouraging the faculty to use power point presentation where ever required.
- ♦ Extensive use of online – content and other Video lectures to support the Class–room teaching.
- ♦ Students are encouraged to present poster and oral paper presentations.

Counseling system:

- ♦ Every Faculty member is allotted 15 students to who moneacts as a counselor. The counselor identifies the academic and personal problems of his/her ward.
- ♦ The wards are encouraged to participate both in curricular and extra- curricular activities.
- ♦ Each department arrange guest lecturers periodically addressed by the eminent persons from Industry, Academic and Research Institutions.

VITS has create dan ecosystem for innovation & incubation, research, Entrepreneurship, and community orientation by providing the infrastructure, mentoring network, seed support, and shared resources. An Innovation Cell was established in the college to foster the culture of innovation among faculty and the students. The Cell aims to encourage, inspire, and nurture young students by

innovation with new ideas and transform them into prototypes. Institution Innovation Council (IIC) has been established at VITS by the MHRD Innovation Cell (MIC), Ministry of HRD, Govt. of India, to foster the culture of Innovation among Higher Education Institutions.

As a special thrust, societal development is also instilled on a large scale into the students through the active NSS unit which undertakes various services to inculcate social values. Throughout the year, the NSS unit undertakes a plethora of events ranging from cleanliness drives, tree plantation drives, Blood donation drives, waste management drives, gender equity, field visits and many more.

Quality education is complemented with an ever-enhanced infrastructure. The college constantly augments its infrastructure, catering to the needs of all levels of academic programmers. The infrastructure is upgraded with palatial buildings of architectural excellence along with class rooms, lab facilities, books in the library, sports gadgets, auditoriums and green initiatives. Being a co-educational institution, the infrastructure caters to the needs of both male and female students simultaneously, ensuring a gender- friendly ambiance.

The Library has a carpet area of 950 Sq Mtrs. The library is well equipped with are adding capacity of 140 readers and is also Wi-Fi enabled. Library users have easy access to photo copying facilities. The library Housekeeping operations are fully automated i.e. counter Service, Issues and returns, Technical Service: Classification and Cataloguing (OPAC) by using the Library Software ONEDU developed by ONEDU Software Systems at win now.com. Generation of Barcodes to the books by using barcode software. The Students of Vaagdevi Institute of Technology & Science are issued a single barcode for Library Membership cum College Identity card. The users of the library can use the same Identity card for borrowing books.

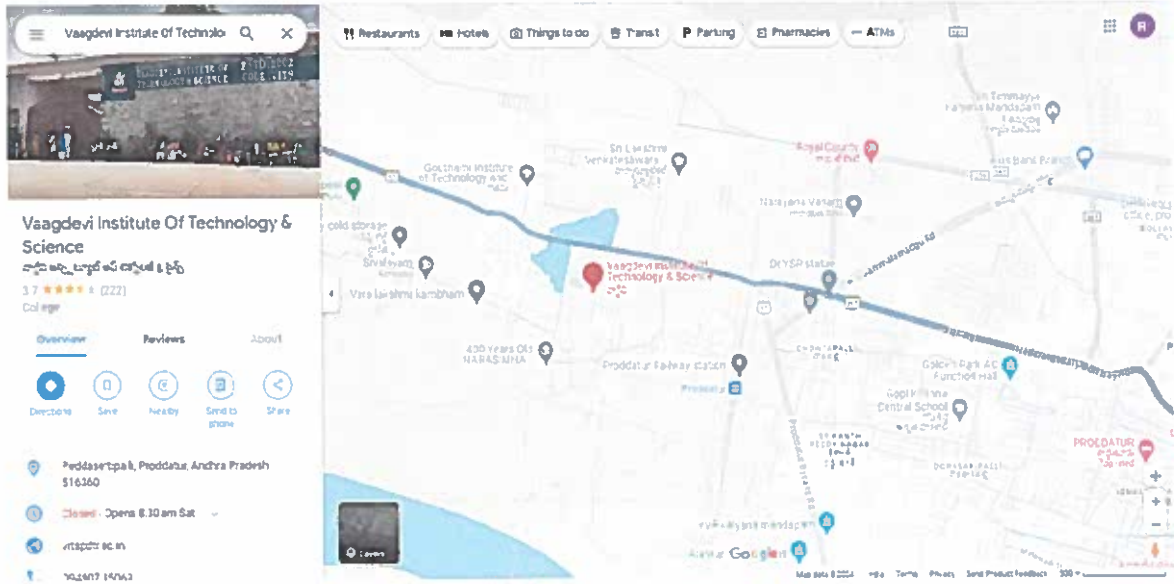

The Library has various Text Books, Reference Books, e-books, Journals, Magazines, e-journals, NPTEL video lessons related to Engineering and allied subjects. Library has a collection of fascinating books which includes Encyclopedia, Handbooks, Dictionaries, GATE and competitive examination books and videos.

That support the content beyond syllabus. The library has a huge collection of 23363 volumes and around 4,535 Titles.

Students and teachers are encouraged to register for online courses offered by NPTEL and the college is one of the active centres. In addition to teaching and research, the college grooms its students with societal responsibility.

11.CLUBS

Motivation towards creating VITS clubs

VITS clubs are functioning on the campus to help students learn new skills and gain fresh experiences. Co-curricular and Extracurricular activities offer great developmental benefits to help students grow professionally. Joining a Campus club benefit you to gain knowledge, skills and experience in leadership, good communication skills, excellent problem-solving skills, group development and management, presentation and Public speaking. At the Campus, Students have the option to choose their passionate club and become members.

Math Club:

The prime motive of our Math Club is eliminating the fear of Mathematics and creating a passion towards the subject the club promises to cultivate various chances and a bright platform to exhibit their talent, skills and passion for Mathematics. First, it fosters a community of students around a common interest in Mathematics. Club members are elected and they are provided opportunities to apply and improve math skills by participating in math competitions and learning circles.

GOALS

- To identify the level of understanding in Mathematics.
- To help the students develop their critical thinking and Mathematical ability.
- To improve and bring out the hidden Mathematical talents of the students
- To promote enthusiasm and interest in Mathematics among the students.
- To provide a platform for discussing new methods of learning and teaching Mathamatics.

OBJECTIVES

- Helps in the proper utilization of leisure time.
- Includes the habit of self study and independent work among the students.
- Provides opportunities for students to translate the theory into practice and apply their learning in daily life situations.
- Makes Mathematics learning a pleasant, creative and challenging experience for the students.
- Develops critical thinking skills of students through problem solving.
