2. Waste Paper:

Waste paper, mostly the paper used for printing may be rejected if any mistakes found. That paper is also used for rough work and thereafter it is rejected, collected and stored for recycling purpose. Once in a while it is sold to paper recycling vendors along with the wasted newspapers and old exam papers and postage covers received etc.

The waste paper is disposed in an environmentally responsible manner utilizing the process of waste paper segregation and recycling through the Vendor

3. Grass and Bush Trimmings; and Fallen Leaves from Trees and Creepers; and Composting:

There are grass lawns and bushes along the campus roads, coconut trees and, decorative trees and other creepers planted for good landscape and are maintained well. Grass and bush cuttings and fallen leaves from trees and creepers are taken to the nearby land for composting along with the cow dung. It is converted into manure within 60 to 65 days and used as organic fertilizer to the trees.

Sweeping and Collection of Dust and Fallen Leaves into the Dust Bins

E - Waste Management

Hazardous waste in the form of 1) spent batteries, 2) Waste oils from buses and DG set are generated which is approximately 50 kg per month on an average. The management takes the responsibility and engages the disposal of the solid waste to the vendors

identified by them.

E-waste Storage Facility

E-waste Storage Facility

The E-waste is disposed to MICROHARD SOLUTIONS, Kadapa an authorized Dismantle who recycles the materials.

Liquid Waste Management

- The ground water available in the campus contains hardness beyond the drinking water standards. The institute has installed Reverse Osmosis (RO) system of capacity 2000 Liters as per the requirement.
- Water tanks are cleaned periodically.
- Pipelines, taps and other sources of water discharge are well maintained without any leakages.
- Wastewater generated from wash rooms, toilets, etc. is transported by means of well-conceived sewerage system
- Eco-friendly floor cleaners are used periodically for cleaning toilets.

Chemicals in the laboratories are disposed as per MSDS (Material Safety Data Sheet) of each chemical.

Reverse Osmosis (RO) System at 2nd floor

WHERE AS:

MICROHARD SOLUTIONS computers is a registered environment friendly Disposal of E- waste with Andra Pradesh State pollution Control Board wide CCA { consolidate consent Authorization}

The Client is desirous of obtaining E-Waste Management services MICROHARD SOLUTIONS subject to the terms & Conditions stated herein:

NOW THEREFORE THE PARTS HERETO HEREBY AGREI AND THIS AGREEMENT WITNESS AS FOLLOWS: 7

ARTICLE 1 - DEFINITIONS

In this agreement the following Expressions shall have the meanings hereunder respectively assigned to them.

1.1 agreement" shall mean this agreement, declaration and indemnity and any and all schedules, appendices, annexes and exhibits attached to it or incorporated in it by reference.

1.2 "Applicable Laws" means the laws and any other instruments having the force of law in India as they may be issued and in force from time to time.

1.3 "E-Waste" shall mean waste electrical and electronic equipment, whole or in part or scraps/rejects from electronic equipment of their in-house uses, or from their manufacturing process or repair process, which are discarded or intended to be discarded

1.4 "Effective Date" means the date on which this Agreement comes into force.

1.5 "Scope of Work" shalt have meaning ascribed to it in article

ARTICLE 2 - AGREEMENTS

The principle contract as defined herein above including the contract into between the Owner and for the executions of complete said work together with all its enclosures and Annexure shall be deemed to be an integral part of this Agreement

Not withstanding anything to the contrary contained herein the technician specifications and the drawings and the related provisions of the principal Contract shall over-ride and prevail over all the provisions to the contrary contained herein or in other documents forming part of Agreement

CIRCULAR

Date:07.02.2023

According to the notification, AP pollution Control Board, the ban on single use plastic bag has come into effect in Andhra Pradesh on December 31. The government will be imposing a fine on the use of single use plastic bags which are less than 120 microns. This is part of its major to implement guidance of the supreme court of India over the use of single use plastic.

In this regard, the faculty staff and students of the Vaagdevi Institute of Technology and Science are requested to strictly avoid the use of plastic around the college with immediate effect and make the campus clean and green. In canteen, paper cups, paper covers and eco-friendly products can be used as alternative measures.

Usage of one-time use plastics may be allowed in unavoidable circumstances.

All are requested to cooperate and replace it with environment friendly alternatives.

TREE PLANTATION

TREE PLANTATION

Theme: "Plant a Tree Today; It will help us breathe tomorrow"

The Staff and NSS Volunteers of Vaagdevi Institute of Technology And Sciences participated with great Zeal in TREE PLANTATION program On Occasion of Chief Minister's Birthday, Govt of Andhra Pradesh.

They planted saplings in the premises of the college to raise awareness and consciousness about environment among the masses. Planting of the trees is especially important to protect our environment against air pollution and global warming. The Drive was huge success, empowering students with substantial knowledge of environment and plants.

A Report on TREE PLANTATION

The NSS unit On 15-03-2022 of Vaaagdevi Institute of Technology and Science College successfully completed the event of Tree Plantation under the National Service Scheme at college campus. NSS candidates identified appropriate place for plantation of Herbal Drug plants and prepared it for plantation. They also made the identification card of the plants.

The event was began with the welcoming of guest Honorable G.Govardhan, Principal at Peddasettipalli . Welcome speech has been given by Programme Officer Mr.G.Ramanjaneya Reddy . In the guest speech.S.D.Govardhan said, Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees and also the herbal plants is become one of the most important aspects today. NSS candidates also committed themselves to nourish and maintain the allocated plant.

A Report on SAY NO TO PLASTIC

The NSS UNIT of the college is organized "Say no to plastic at Peddasettipalli" on 18-03 2022. The campaign was carried out in one of the adopted village of Peddasettipalli. The objective of the campaign was to create awareness about the hazard of polythene bags. The campaign was named 'Say No to Plastic' with the theme "I Educate and Support". Banners bearing this slogan were displayed at various places in the locality. The NSS Students of VITS divided themselves into groups of four. Each group visited the people in their homes. People were told how the use of polythene bags pollutes the environment.

They were also educated that polythene was not biodegradable and that these bags could choke the sewers. They could also spoil the fertility of the soil. Shopkeepers in the locality were requested to give up the use of polythene carry-bags. [People showed great interest in the campaign. Many of them promised never to use polythene bags in future. The campaign was a great success. Everyone in the locality praised the initiation undertaken by VITS for their good work. Last but not the least, free reusable bags were distributed to all the participants and people of the village.

A Report on Bio-Diversity at Seshachalam Forset

Vaagdevi Institute of Technology And Sciences National Service Scheme has conducted Bio-Diversity programme.

Mr.K.Karthik,BIRD Man of Tirupati was the chief guest for the programme and he interacted with students and explained the importance of Bio- Diversity, it is the variety of different types of life found on the earth. Our planet is now in the middle of the sixth mass extinction of species, the worst since the loss of the dinosaurs 65 million years ago.

Today's generation has a special responsibility in relation to the environment. Students along with Mr.Karthik went to forest and were divided into several groups and walked into the forest to explore common tailor birds, common mynas, white-browed bulbuls, treepeeps etc. Bird man Karthik said we have listed at least 200 species of birds found in and around of the world.

The NSS program officer and students actively participated in the above program and got experience regarding Bio-Diversity.

A Report on
FARMING BY THE STUDENTS
"Adding Green to Your Life"

The National Service Scheme of Vaagdevi Institute of Technology And Sciences has conducted Visiting to know about "Organic Farming" on 23-12-2019 at Peddasettipalli Village in Association with Rythu Barosa Kendram. The purpose of the camp is to create awareness about natural farming to the students.

The NSS Volunteers met the farmers of the village, they taught us what the exact meaning of organic Farming is. In general words, Organic Farming is defined as which involves the cultivation of plants and rearing of animals in natural ways. This process involves the use of biological materials, avoiding synthetic substances to maintain soil fertility and ecological balance thereby minimizing pollution and wastage.

The NSS volunteers played a vital role in making this camp success with their dedication in serving people, they directed people in all needy way.

Assistive Technology and Facilities for Persons with Disabilities (Divyangjan) -

Accessible Website, Screen-Reading Software (NVDA Software)

Non-Visual Desktop Access (NVDA) software allows blind and vision impaired people to access and interact with the Windows operating system and many third party applications. NVDA supports popular applications including web browsers such as Mozilla Firefox and Google Chrome, email clients, internet chat software, music players, and office programs such as Microsoft Word and Excel. It also supports for many refreshable Braille displays, including input of Braille via Braille displays that have a Braille keyboard. It can be run entirely from a USB flash drive or other portable media without the need for installation. The software is installed at various locations of the institute, at Digital Library and Computer Centre.

Provision for Enquiry and Information: Human Assistance, Reader, Scribe,

Soft copies of Reading Material, Screen Reading.

Divyangjan (Differently abled) candidates who appear for examination are allowed to avail concessions such as services of scribes at examination, extra time to complete the examination as per the guidelines stipulated. The scribe rules are as given by the affiliating university.

CIRCULAR

To

All Vice Chancellors of Technical Universities and
All Directors/ Principals of AICTE Approved Institutions,

Subject: Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.

Madam/Sir,

Ministry of Social Justice and Empowerment, Deptt. Of Empowerment of Persons with Disabilities (Divyangjan), Govt. of India, New Delhi vide Office Memorandum F. No. 29-6/2019-DD-III dated 10.08.2022 has issued guidelines for compliance by all institutions/ organizations on the above noted subject.

These guidelines are for conducting written examination for persons with benchmark disabilities (i.e. with 40% or more disability, for whom the benefit of reservation in Government posts are allowed) which inter-alia, provides for grant of scribe and compensatory time. It is pertinent to mention here that Hon'ble Supreme Court in its order dated 11.02.2021 in the matter of Shri Vikash Kumar Vs UPSC and others has directed Govt. of India to frame proper guidelines which would regulate and facilitate the grant of a facility of a scribe to persons with disability within the meaning of Section 2 (s) of the RPwD Act, 2016, where the nature of disability operates to impose a barrier to the candidate writing an examination. These guidelines also prescribe appropriate norms to ensure that condition of the candidate is duly certified by such competent medical authority as may be prescribed so as to ensure that only genuine candidates in need of the facility are able to avail it. The copy of the guidelines is placed at Annexure-I for reference and perusal.

You are requested to disseminate the information regarding the aforesaid guidelines among your faculty and students and take pro-active steps required for compliance of the Hon'ble Supreme Court direction by implementing these guidelines.

Regards

(Dr. Ramesh Unnikrishnan)

Annexure-I

Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.

- a) These guidelines may be called as Guidelines for conducting written examination for persons with specified disabilities covered under the definition of Section 2(s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.
 - b) The facility of scribe and/or compensatory time shall be granted solely to those having difficulty in writing subject to production of a certificate to the effect that person concerned has limitation to write and that scribe is essential to write examination on his/her behalf from the competent medical authority of a Government healthcare institution as per proforma at Appendix-I.
 - c) The medical authority for the purpose of certification as mentioned in point (b) above should be a multi-member authority comprising the following:-
 - i. Chief Medical officer/Civil Surgeon/Chief District Medical Officer.....Chairperson
 - ii. Orthopaedic/PMR specialist
 - iii. Neurologist, if available*
 - iv. Clinical Psychologist/Rehabilitation Psychologist/ Psychiatrist/Special Educator
 - v. Occupational therapist, if available*
 - vi. Any other expert based on the condition of the candidate as may be nominated by the Chairperson.
- (* the Chief Medical Officer/Civil Surgeon/Chief District Medical Officer may make full efforts for inclusion of neurologists, occupational therapist from the nearest District or the Medical College/Institute, if the same is not available in the District)"
- d) The candidate should have the discretion of opting for his own scribe or request the Examination Body for the same. The examination body may also identify the scribe to make panels at the District/Division/State level as per the requirements of the examination. In later instances the candidates should be allowed to meet the scribe two days before the examination so that the candidates get a chance to check and verify whether the scribe is suitable or not.
 - e) In case the examination body provides the scribe, it shall be ensured that qualification of the scribe should not be more than the minimum qualification criteria of the examination. However, the qualification of the scribe should always be matriculate or above. In case the candidate is allowed to bring his own scribe, the qualification of the scribe should be one step below the qualification of the candidate taking examination. The person opting for own scribe should submit details of the own scribe as per proforma at Appendix-II.
 - f) There should also be flexibility in accommodating any change in scribe in case of emergency. The candidates should also be allowed to take different scribe for writing different papers especially for languages. However, there can be only one scribe per subject.
 - g) The candidate should be allowed to use aids and assistive devices such as prosthetics & orthotics, hearing aid as mentioned in para 2 of the certificate issued by medical authority as per Appendix I.
 - h) Compensatory time not less than 20 minutes per hour of the examination should be allowed for persons who are eligible for getting scribe. In case the duration of the examination is less than an hour, then the duration of the compensatory time should be allowed on pro-rata basis. Compensatory time should not be less than 5 minutes and should be in the multiple of 5.

- i) The examination bodies shall modify their application forms to incorporate specific needs of this category of persons. In case, any incident has been reported after filling up the form, the examination bodies shall inform the candidates to obtain medical certificate as per these guidelines for facilitating grant of scribe and/or compensatory time.
 - j) As far as possible the examination for such persons may be held at ground floor. The examination centres should be accessible for persons with disabilities.
 - k) These guidelines are applicable to written examinations conducted by central recruitment agencies as well as academic institutions. The States/UTs may adopt these guidelines or issue similar guidelines to maintain uniformity.
 - l) These guidelines are independent of the Guidelines for conducting written examination for persons with benchmark disabilities issued by the Department of Empowerment of Persons with Disabilities on 29.08.2018.
 - m) The examining bodies shall ensure strict vigilance to check misuse of facility of scribe.
4. All the recruitment agencies, Academics/Examination Bodies etc. under the administrative control of each Ministry/Department may be advised appropriately to ensure compliance of implementing these guidelines.
 5. The above guidelines are issued with the approval of Hon'ble Minister (Social Justice & Empowerment).

Appendix-I

Certificate for person with specified disability covered under the definition of Section 2 (s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing.
